Teacher applications can be found on the WPA website.

We have received many applications for our Managing Director/Principal. The applications will be reviewed and a selection to be made soon.

The majority of our time was spent discussing ways of getting our school message out to the public. Sharon Evans is obtaining advertisements in the News Argus Newspaper, on radio stations. Our members have been posting their personal friends on Facebook about our school and website. We identified child daycare centers in the county and will visit each to pass out our school information.
